Growing Individuals for the Future

Kia ora koutou,
Thank you Darcy, Kim and Barry for your firewood fundraising generosity. The school community and children really appreciate your support!

School skiing with the Cardrona Ski School has begun. After only two days the children have increased their ski and snowboarding confidence immensely. Last Friday was a wet and snowy day but the children were troopers!

School Docs, <https://haast.schooldocs.co.nz/>, is where the Haast School policies can be viewed. One to review is the Haast School policy about **Food and Nutrition**.

At Haast School, we promote a healthy lifestyle to our school community (students, staff, and families/whānau) as part of our commitment to a safe and inclusive school environment.

Educating students about nutrition and encouraging healthy active learning contributes to their personal success and wellbeing, and to a healthier community for everyone. We communicate our nutrition messages to the wider school community clearly and consistently in various ways.

This PDF link to the NZ government guides is in the policy, To ensure any food or drink at school aligns with national food and nutrition guidelines,

New School Logo!

Thank you Dayna!

Dayna is an ex pupil of Haast Primary School. It is wonderful to have her design a logo that looks very special and represents the Haast School area so well!

New school uniforms are being created and will have the new logo on them. Here is a sneak preview and if you wish to give feedback please email,
